Let me introduce you to my Smell Lab

SMELL LAB

PERFUME IS A MIXTURE OF FRAGRANT NOTES.

The notes develop over time, from the TOP, to the MIDDLE to the BOTTOM.

SMELL LAB

STEP 1

→ SMELL + PICK

To create your personal scent, first pick your "NOTES"

Smell and choose 1 of each of the following:

* TOP NOTES *

Bergamot

Pear

Chocolate

* MIDDLE NOTES *

Rose

Orange Flower

Lavender

* BOTTOM NOTES *

Cedarwood

Vanilla

Musk

Let me blend these three notes for you. Place your nose over the flower and touch my nose.

Now Choose your favorite notes and give your scent a name
